a new adventure every week!

Every Wednesday from April 7, 2021 through September 29, 2021 there will be a ride led by one of our Road Captains or another Chapter Officer (26 total rides). Eligible participants who qualify will earn a patch or rocker.

To be eligible for the award the following guidelines must be met:

- 2. Rider and passenger must be on a Harley Davidson or Buell motorcycle.**
- 3. Rider and passenger must sign-in with the rideleader.**
- 4. Rider and passenger must sign-in at a minimum of 10 events.**

There will be a gift card handed out randomly for the riders who choose to leave Classic with the ride leader and stay on the ride until the destination is reached.

At the end of the program riders or passengers will have the opportunity to win a gift card randomly chosen from the chapter members that qualify with the minimum attendance of 10 rides. All awards will be given at a year-end event at the Officer Team's discretion.

It is the responsibility of the rider and passenger to Sign-in for award eligibility.

If you choose to not earn a patch, you do not have to sign-in at each event.

All rides will leave promptly (kick stands up) from Classic HD at 6:30 PM unless noted differently on our Chapter calendar.

Should a ride need to be canceled or rescheduled, a post will be placed in the Google Group, a text message will be sent via our Berks HOG number, and a message will be given to the front desk staff at Classic HD one hour prior to departure.
