

2022 Most Attended Day Events (MADE)

Our MADE – Most Attended Day Events - program will continue for another year. It starts with the Annual Road Warrior mileage check on Sunday, November 14, 2021 and runs through next year's Annual Road Warrior mileage check on Sunday, November 13, 2022.

All day events, except for LOH only rides, Classic Harley Davidson events, and non- chapter rides, will count toward the MADE program. Overnight events and rides posted with less than two week's notice will not be included for qualification. A patch will be awarded to all qualified, eligible participants along with the appropriate rocker.

To be eligible for the award the following guidelines must be met:

- 1. Rider and passenger must be a Berks HOG Member.**
- 2. Rider and passenger must be on a Harley Davidson or Buell motorcycle.**
- 3. Rider and passenger must sign-in with the rideleader.**
- 4. Rider and passenger must sign-in at a minimum of 20 events.**

The top THREE participants will be recognized and receive a gift card from Classic Harley Davidson. In the event of a tie for the top three participants, a random drawing will be held to determine the top three. The top three winners will not be eligible for the remaining awards. The remaining awards will be given in a random drawing of all eligible participants (except for the top three winners). All awards will be given at a year-end event at the Officer Team's discretion.

It is the responsibility of the rider and passenger to sign-in for award eligibility.
